Paranoid Station

If you ever come to Paranoid Station
that's the place where I live.

Be sure to wear no Hesitation'
cause you know I can't forgive.

Once you get here there's no Recreation,
but that's not what you'd expect.

Sure you'll never leave my Paranoid Station
not without my mind defect.

You feel the magic
of that place.
You feel it right away...

There's no ticket to this Top-Location,
but I'll charge you when you're there.

Price not open for Negotiation,
but I'm sure you will not care.

You feel the magic
of that place.
You feel it right away...

I'm gonna drown myself in alcohol
just to cover up the lacks of my soul.
I'm gonna drink more than good for me
'til I'm a drunk man, too drunk for you to see.

Think yourself into this Situation.
Don't you like what you can't see?

Now get going to my Destination,
but don't expect you to be me.

You feel the magic
of that place.
You feel it right away...

I'm gonna drown myself in alcohol
just to cover up the lacks of my soul.
I'm gonna drink more than good for me
'til I'm a drunk man, too drunk for you to see.
